Descriptions

Fishermen's Wharf

Once you arrive at Fisherman's Wharf, you will see "Lovers' Bridge" from far away. At one end of the bridge, a curved giant pointed arch thrusts from the water towards the sky. The white surface of the bridge constantly changes colors in the reflection of light. The bridge is a landmark of the Tamsui Fisherman's Wharf. In the fish market, you can pick any freshly caught seafood which the owner will cook for you.

Tamshui Old Street Walking Tour

Located along the riverfront in Tamsui (Danshui), Tamsui Old Street is a boardwalk-like area full of shops, carnival games, restaurants, cafés, and xiaochi snacks. The waterfront area is a great place to watch the sunset over the Tamsui River.

A ferry can be taken from the pier at Tamsui Old Street across to Bali Left Bank, a relaxing waterfront area popular with cyclists. EasyCard is accepted on this ferry. Other ferry services travel to Tamsui Fisherman's Wharf and Dadaocheng Wharf back in Taipei City.
